Sir:

In accordance with 37 C.F.R. §§1.56, 1.97, and 1.98, applicant cites, provides copies
and briefly discusses the following references newly cited by European Patent Office:

European Patent References:

	<u>Publication No.</u>	<u>Inventor</u>	<u>Publication Date</u>
AA	1. EP 0 843 487 A1	Endo <i>et al.</i>	05/20/1998
AA	2. EP 0 838 799 A1	Tanaka <i>et al.</i>	04/29/1998

Other Literature:

- ◇ European Property Office *European Search Report* dated 22 October 2001
in corresponding European patent application No. 00309817.5-2202-.

Endo '487 includes a projector apparatus incorporating a light-splitting device that splits the light from the light source into at least four kinds of light according to the colors corresponding to the color drive signals generated in the image signal processor.

Tanaka '799 forms a sub-field array by providing a sub-field corresponding to the m -th bit sub-field, where m and n are positive integers of $m \leq n$ and represent the most significant bit place when m is 1 bit substantially at the center of the time axis of all the sub-field periods.

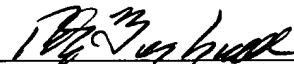

The foregoing citation of references is not intended to constitute an assertion of particular relevant and is not intended to constitute a assert that applicant has undertaken a thorough search of the prior art. Accordingly, the Examiner is requested to undertake a thorough and wide-ranging search of the relevant classifications.

Pursuant to 37 C.F.R. §1.97(c), each item of information contained in this information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing

of this information disclosure statement.

No fee is incurred by this Statement.

Respectfully submitted,

Robert E. Bushnell
